8th June, 2026

PUBLIC NOTICE AND CALL FOR MEMORANDA

Pursuant to the Constitution of Kenya, 2010 and the County Governments Act, 2012, on public participation, the County Government of Migori, through the Department of Agriculture, Livestock, Fisheries and Blue Economy, invites members of the public, farmers, fisherfolk, livestock keepers, cooperatives, community groups, civil society organizations, development partners, private sector actors, researchers, and all interested stakeholders to review and provide comments on the **Draft Migori County Agroecology Strategic Plan (2026–2030)**.

The Strategic Plan provides a roadmap for promoting sustainable agriculture, resilient food systems, environmental conservation, climate adaptation, biodiversity conservation, sustainable fisheries and aquaculture, and improved livelihoods across Migori County.

Stakeholders are encouraged to review the draft document and submit their comments, recommendations, and memoranda for consideration before finalization of the Strategy.

Theme:

“Resilient Food Systems for Sustainable Livelihoods”

Comments, reviews, and memoranda may be submitted via email to:
[**migoricda@gmail.com**](mailto:migoricda@gmail.com)

Alternatively, hard copies may be hand-delivered to:
The County Director of Agriculture Office
Directorate of Agriculture

Submission Deadline:

All reviews and memoranda should be submitted not later than 18th June 2026.

Your views and recommendations will help shape a resilient, inclusive, and sustainable agroecological food system for improved livelihoods in Migori County.
