HIGHLIGHTS OF THE KEHANCHA MUNICIPAL BOARD MEETING HELD ON 17TH NOVEMBER 2023

The Kehancha Municipal Board held a meeting on 17th November 2023 at the Municipal Board Offices. The meeting was attended by key members of the board, including the Chairperson, Mr. Bohoko Matiko, and other board members. Below are the key highlights of the meeting:

1. Opening Remarks:

- The meeting commenced with a prayer and opening remarks by the Chairperson, who thanked the members for their attendance and support.

2. Confirmation of Previous Minutes:

- The minutes from the previous meeting were reviewed and confirmed as accurate after some amendments, including adding members to the Finance and General-Purpose Committee and the Audit Committee.

3. Illegal Kiosks on Open Spaces:

- The board discussed the issue of illegal kiosks along Kehancha Ntimaru Road and other open spaces. These structures were obstructing essential infrastructure projects. A demolition order was issued to remove these kiosks, with the board stressing the importance of maintaining public order and infrastructure development.

4. Municipal Board Committees:

- Discussions were held on the operational procedures of various Municipal Board Committees, aiming to streamline their functioning for better governance.

5. Kenya Urban Support Programme II (KUSP II):

- The board was briefed on the KUSP II, which focuses on improving infrastructure and basic services in the municipality. Nine minimum conditions were outlined for participation, with particular attention to the need for key municipal staff, which will be addressed through employment.

6. Stakeholder Engagement:

- The board emphasized the importance of familiarizing themselves with key stakeholders. Plans were made to visit the Kehancha Law Court to discuss the establishment of a Municipal Court. Visits to security agencies and the hospital were also proposed to strengthen collaboration.

7. Municipal Budget:

- The Kehancha Municipal Budget for the fiscal year 2023/2024 was presented and thoroughly discussed, highlighting the board's focus on financial planning and resource allocation.

The meeting concluded at 4:46 PM after all agenda items were addressed. The board remains committed to improving the municipality's infrastructure and services for the benefit of all residents.
