Agenda

1. Preliminaries
2. Review of Municipal Solid Waste Management Implementation Progress
3. Discussion on Urban Beautification and Public Space Improvement Initiatives
4. Any Other Business

MIN. No. 1 FBM/18/07/2024: Preliminaries

The Chairperson called the meeting to order at 10:05 A.M. with a word of prayer from Mr. John Otieno Oswe. The agenda was presented and adopted as circulated.

MIN. No. 2 FBM/18/07/2024: Review of Municipal Solid Waste Management Implementation Progress

The Municipal Environment officer presented a progress report on the implementation of the Municipal Solid Waste Management Plan. Members were informed that the Municipality had made progress in several areas including:

- Increased frequency of waste collection
- Deployment of additional waste collection points
- Public awareness campaigns on waste segregation

However, the Board noted that challenges still exist, including:

- Limited waste collection equipment
- Inadequate waste transfer infrastructure
- Limited manpower for waste management operations

Members emphasized the importance of improving waste management to maintain clean and healthy urban environments.

The Board resolved that:

1. Management continues strengthening waste collection operations within the Municipality.
2. Additional waste collection equipment be prioritized in municipal planning and budgeting.
3. Public awareness campaigns on waste management be intensified.

MIN. No. 3 FBM/18/07/2024: Discussion on Urban Beautification and Public Space Improvement

The Municipal Planner presented proposals aimed at improving the aesthetic appearance and functionality of public spaces within the Municipality.

The proposals included:

- Landscaping of roundabouts and public open spaces
- Installation of street furniture and benches
- Beautification of entry points into the Municipality
- Improvement of pedestrian walkways

Members noted that urban beautification contributes significantly to improved urban attractiveness, tourism potential, and community pride. In view of the above, the board resolved that:

1. Management develops a Municipal Urban Beautification Strategy.
2. Landscaping and beautification projects be integrated into municipal infrastructure programs.
3. Partnerships with local businesses and community groups be explored to support beautification initiatives.

MIN. No. 4 FBM/18/07/2024: Any Other Business

There being no other business, the meeting ended at 12:30 P.M.
