HIGHLIGHTS OF KEHANCHA MUNICIPAL BOARD MEETING HELD ON 22ND AUGUST 2024

The Kehancha Municipal Board held a special meeting to officially engage with the newly appointed CECM, Madam Mercy Mwakio. The meeting focused on strengthening collaboration between the County Government and the Municipality to improve service delivery and urban development.

The CECM expressed confidence in the potential of Kehancha Municipality to become a model for effective local governance. She emphasized the importance of strong institutional systems, community participation, and accountability in driving development. She also pledged full support from the County Executive and announced plans to introduce a performance-based reward system to recognize well-performing municipalities.

Board members welcomed the CECM and reaffirmed their commitment to working closely with her office to enhance service delivery, governance, and development outcomes within the Municipality.

Key Resolutions and Way Forward:

- The Board will strengthen governance and operational structures to improve efficiency and accountability.
- Municipal plans and activities will be aligned with the County's urban development priorities.
- Regular consultative meetings will be held between the Municipality and the County Executive to monitor progress and address challenges.

Adoption of Migori County Gender Policy (2023–2027):

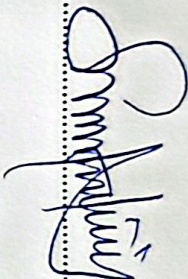

The Board adopted the Migori County Gender Policy to guide inclusive development within the Municipality. The policy promotes gender equality, women empowerment, and equal opportunities for all, including youth and persons with disabilities.

Key focus areas include:

- Economic empowerment for women and youth
- Prevention of gender-based violence
- Access to healthcare, education, and social services
- Inclusive leadership and participation in decision-making
- Gender-responsive planning and budgeting

The Board emphasized the need to integrate gender considerations into all municipal programmes and ensure fair representation of all groups in development processes. Mechanisms will also be put in place to monitor progress and ensure effective implementation.
